ORDER ON RECONSIDERATION

Adopted: March 23, 2007

Released: March 27, 2007

By the Deputy Chief, Media Bureau:

1. In this Order on Reconsideration, the Bureau addresses the petition for reconsideration filed by the Town of Medley, Florida (“Medley”) in response to the Bureau’s decision (hereinafter “Bureau Order”) in the above-captioned proceeding.¹ On January 31, 2007, the Bureau granted the petition for Determination of Effective Competition filed by Comcast Cable Communications, LLC (“Comcast”), and thereby revoked Medley’s certification to regulate the basic rates of Comcast Cable Communications, LLC.²

2. As stated by Medley in its Petition for Reconsideration, Comcast on December 20, 2004 voluntarily, but without prejudice, requested that its petition with regard to Medley be dismissed.³ Medley argues that the Media Bureau should have dismissed Comcast’s petition as to Medley pursuant to Comcast’s request.⁴ We agree. The revocation of the Medley’s certification to regulate Comcast’s basic cable service rates was in error. By granting Medley’s petition for reconsideration, we hereby reinstate its certification to regulate Comcast’s basic cable service rates. Our decision herein is without prejudice to Comcast filing a future petition for determination of effective competition for Medley.

¹ The Town of Medley filed an Application for Review on March 1, 2007. On March 9, 2007, Medley requested by letter that the Application for Review be treated as a Petition for Reconsideration. Accordingly, we are treating Medley’s Application for Review, filed on March 1, 2007, as a Petition for Reconsideration pursuant to Section 1.106 of the Commission’s rules. See 47 C.F.R. § 1.106.

² See *Comcast Cable Communications, LLC*, DA 07-397 (MB rel. January 31, 2007).

³ See Comcast Reply at 7, n. 20.

⁴ See Petition for Reconsideration at 3.

3. Accordingly, **IT IS ORDERED** that the Petition for Reconsideration of the Town of Medley, Florida **IS GRANTED**.

4. This action is taken pursuant to authority delegated by Section 0.283 of the Commission's rules.⁵
